THE HISTORY OF KANGEN WATER™

For thousands of year several locations of spring water around the world have maintained legendary status as natural water resource also known as “**Miracle Water**” to heal various disease.

In the 1950's scientific research was conducted and was discovered that all of the “Miracle Healing Water” had one thing in common and that is **Active Hydrogen** or better known as Ionised Alkaline Water.

Lourdes, France

Zam Zam, Mecca

Ganga, India

Many years ago, Japan was hit by acid rain that contaminated rivers and surrounding ecosystems. A group of doctors gathered to save and recover the contaminated water to its original state.

In the year 1974, Enagic Company Japan with their alkaline water treatment has innovated a machine for hospital usage. Few years later, this technology has been improvised into a small in-home water treatment machine named Leveluk SD501.

The word KANGEN means
“**RETURN TO ORIGIN**”
in Japanese

CAUSE OF CANCER

DR. OTTO HEINRICH WARBURG

“Cancers are characterised by two basic conditions:

- 1) **Acidic body**
- 2) **Lack of Oxygen (Hyposia)**

Cancerous tissues are “ACIDIC”
Healthy tissues are “ALKALINE”.

If one cell fall short of its needed **35% of oxygen** for **48 hours**, it could be infected with cancer.

02

UNIQUE PROPERTIES OF KANGEN WATER™

ANTI - OXIDATION

Anti oxidant is capable of reducing and avoiding oxidation process of aging, infection and rusting.

Kangen Water™ possesses **NEGATIVE ORP (Oxidation Reduction Potential)** that is a strong anti oxidant. Drinks such as carbonated water, R.O (Reverse Osmosis) & tap water will cause oxidation to the body.

ALKALINIZATION

Benefits of Alkaline Water

- Bone Health
- Heart Health
- pH Balance
- Essential Minerals
- Neutralize Acidity
- Healthy Weight Control

“MICRO CLUSTERING”

The water we drink usually has larger molecules making it difficult to be absorbed into the body. Kangen Water has very small molecules. What this means is that the Kangen Water, without needing to be boiled, can be drank as it has smaller molecules that is easily absorbed into the body.

- 5 year warranty
- 15-20 lifespan

Kangen Water™ is produced by an electrolysis process whereby electric current conducted into water to divide them into positive ion and negative ion.

Example shows 7 vertical plates, which is the number of platinum plates used by the prime Enagic model, Leveluk SD501
